Fundraising to regenerate our school library

We are seeking to fundraise to regenerate a children's library as part of our plans to tackle lost literacy learning post-pandemic. Children in Tower Hamlets have been disproportionately affected over the last two years through lockdowns due to the loss of access to consistent learning, food poverty and rising levels of unemployment in the area; children have faced many challenges and are now at a significant disadvantage with their pace of learning.

Nursery Forest School Celebration

On Friday, our Nursery children and parents/carers celebrated the end of Forest School.

During the party they released the butterflies by the fire pit and received their achievement certificates.
