

Nursery

Families and Celebrations

Have a bedtime story every night!

Maths

1. Can you join in with a counting rhyme?
e.g. 5 little speckled frogs.
2. Can you fit pieces into place within a
simple jigsaw puzzle?
3. Can you find things which are bigger than
you and smaller than you?

English

1. Draw a picture of your face. Remember
your eyes, nose, mouth, ears and hair!
2. Sit in silence outside with your family for one
minute. Listen carefully to all the sounds
around you. What can you hear?
3. Practising singing your favourite nursery
rhyme at home. Teach it to your family and
then sing it to your friends at school.

Communication and Language

Find out more about your family. Ask them to tell you their favourite food and drink. Don't forget to tell them yours too!

Physical Development

Take your family on a treasure hunt walk.

Can you find: a bus stop, a bus, a train, a train station, a bridge, a shop, a plane, a car and a bicycle.

Wellbeing

Draw something that makes you happy!

Draw something that makes you sad.
Draw something that makes you excited!

What did you draw? Talk about it with you family...

Being Expressive

Listen to the song 'Firework'. How does the music make you feel? Can you make up some actions with your family?

https://www.youtube.com/watch?v=AgBVgMsW_0I

**Choose one of these options
to do over the weekend
during the autumn term and
share it with your teacher on
Google Classroom or take it
in to school.**

Expressive Arts and Design

Go for a walk in the park.

Collect some leaves, sticks, flowers, stones. Arrange them on A4 paper to make an interesting picture - think about the colours and the shapes. Take a photo.

Google nature collage EYFS

People, Culture and Communities

Look at photos from when you were a baby, until now. Talk about what you notice with your family. How have you grown? How have you changed?

Computing

Record yourself singing '5 little speckled frog' on your parent's phone. What actions can you come up with as you perform?

The Natural World

Take a trip to a local park. Can you catch a leaf as it falls from a tree? Are all the leaves you see the same colour? Can you describe what the leaves feel like?
