EYFS

EYFS have had a busy week exploring, learning, problem solving & playing with their friends. The new water tray has been a big hit!

Nursery

This week Nursery have been working on their knotting skills at Forest School. They tied string to their picture frames and decorated them with natural materials. Well done to Zahra who took her frame home and added more flowers to her design!

Year 1 Trip

Year 1 had an amazing day out on their tour of London trip. They travelled in style taking the cable car and Uber Boat as part of their journey. They saw so many of the amazing landmarks that London has including The O2, The London Eye and Buckingham Palace. They were even lucky enough to see that the King was at home!

Year 2

In D&T, Y2 explored lever and slider mechanisms and how each creates a different type of movement in a moving picture. They needed to use careful cutting, positioning and assembling to make each mechanism move well and look just the way they wanted it to.

Talha - Year 4

Talha has been working super hard and 'aiming high' in learning his times tables. Well done!

Year 6

Y6 have begun their D&T textiles project. They'll be using applique to create a beautiful keepsake to remind them of their last year at Bygrove. Today, they used templates and thought about the colour scheme and composition of their piece. Exciting stuff. Watch this space!
