

PE and Sports Premium Funding Evaluation of Spending for 2022-23

Total spend Premium Funding: £17,770

Item	Detail of activity	Cost	Impact
Extra-curricular sports coaching provision	 After school sports club rotation across the academic year Sports clubs delivered by a specialised sports coach Additional adult support to allow children with SEND to access & attend after school sports clubs 	£4680 £1000	 Increased physical fitness & wellbeing of all our children Children with SEND were able to access all after school sports clubs Children had the opportunity to access a range of sports after school clubs (football, tennis, basketball, archery & cycling). The sports were chosen based on the children's interests We maintained a high level of participation of children our after school sports clubs, including those who are targeted to join & EYFS - this was through the introduction of targeted year group sessions Adult-led sports activities at playtime & lunchtime continued to promote positive behaviour for children at play times and lunch times & increased engagement in physical activity The number of PP children attending after school sports clubs has increased
KS2 Swimming	 Specialist swimming lessons at Poplar Baths to enable our children to achieve the National Curriculum Expectations by the end of Key Stage 2 Additional swimming teacher to allow children to 'catch up & keep up' with their swimming lessons 	£6,738.30	 Over half of the child in Year 6 met the National Curriculum End of Key Stage 2 expectation of 25m 11 children exceeded this and achieved 100m+ All children participated in swimming & developed their water confidence which had been negatively affected by the pandemic

			N Company
SEND Sports Equipment	Purchase of specialist adapted SEND sports equipment	£1000	 All children have had access to play/sports equipment All children have had access to high-quality teaching resources that will support their learning Children with SEND have been able to fully access the PE curriculum and make excellent progress in their physical development & confidence
SEND Sports event subscription	Children with identified SEND needs will have access to and attend KS2 SEND Sports events across the borough	£400	 The children have had the opportunity to compete within sports which are accessible to them, including sitting volleyball, handball & mini golf The children have developed other skills such as social & self-care skills. They have learnt how to travel safely outside of school The children have had the opportunity to host one of the 6 events here at Bygrove Parents have discussed the positive impact of these events & have reported an increase in the children's confidence when visiting new places
Replenishment of sports equipment	Replenishment of sports equipment	£2360	 All children have access to a wide range of sports equipment both within PE lessons & outside at playtimes and lunch times Children have access to sports which go 'above and beyond' that of the National Curriculum, including archery & cycling As part of our ongoing Health & Wellbeing policy, we are continuing with our promise to support 'physically healthy young people who lead active lives and enjoy participating in sport and fitness activities'

Mile End Stadium for sports day	Hire of Mile End Stadium & equipment for Years 1-6's Sports Day	£800	 Children experienced the excitement of competing in a stadium Parental engagement in sports has increased by hiring an appropriate venue for spectators. We had a great turn out to both the morning & afternoon sessions
• Cycling for Y4-6	Bike Health Checks	£791.70	 Children from Y4-6 accessed 15 bikes Pupils participated in high-quality sessions & learnt how to ride a bike Teachers & support staff accessed CPD to develop their knowledge and skills to teach cycling.
