## Year 1

This week Year 1 have been learning all about time. They have been looking at clocks and learning about all of the different features. They were then able to create their own clocks and make sure they had all the numbers, a minute hand and an hour hand. They used their clocks to tell the time at lots of points throughout the day.

## Year 3

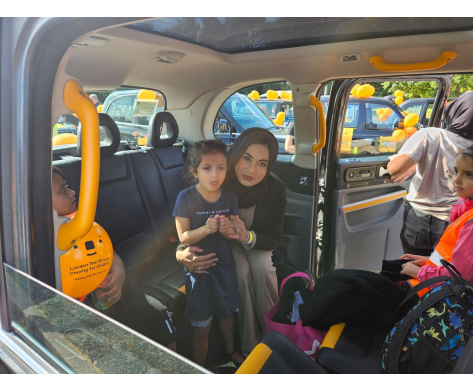

Today in Maths, the children went about learning how to measure mass in kilograms and grams using scales. Always remembering that 1 kg is equivalent to 1000g, we went to work on calculating the intervals on different sets of scales before reading the mass.

## Paradise Wildlife Park

We have had a brilliant day today at Paradise Wildlife Park seeing the animals, eating ice cream and even taking a train ride. Thank you London Taxi Driver's Charity

## Nursery Forest School Awards

Well done to Nursery on receiving your Forest School awards!
