

Year Group: 2
Summer Term

Knowledge Organiser: Geography
Theme: Globetrotters

Strands:

Physical and Human - features of the environment

Locational - Using maps and compasses to find locations

Fieldwork - Gathering and recording data about the world

What have I learnt already:

To locate London on a map of the UK

To use atlases to locate the UK and its countries

To use locational and directional language

To make simple comparisons between London and a contrasting area in another country

Key Vocabulary:

continent	A large solid area of land	Asia
country	An area of land controlled by one government One part of a continent	France
ocean	A huge body of salt water	Pacific
atlas	A collection of maps	
equator	A halfway line across the middle of the Earth, between the north and south pole
