

Year Group: 1
Summer Term

Knowledge Organiser: Geography
Theme: We Love London

What have I learnt already:

To name local wildlife
To draw a simple aerial map
To use a key

Strands:

Physical and Human - features of the environment

Locational - Using maps and compasses to find locations

Key knowledge that will be learnt

United Kingdom (UK) is an island. There are four countries that make up the UK; England, Ireland, Scotland and Wales. Each country has its own capital city.

Landmarks in London

Tower of London

Buckingham Palace

O2 Arena/
Millennium
Dome

London Eye

Big Ben and
Palace of
Westminster

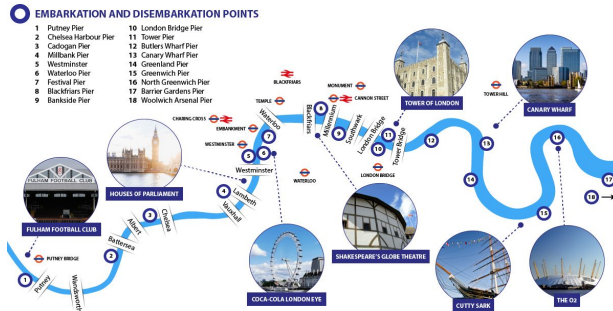

We ❤️ London

You will draw a map of your own school.

You will give directions to your school. You will compare what London looks like with another city from around the world.

River Thames flows through London

Key Vocabulary:

Island		A piece of land surrounded by water
Landmark		An object or a special place that makes the area recognisable
