

Year 1

Animal Kingdom

Read your book for 20 minutes everyday.

Maths

1. There are 7 dwarves in Snow White, how many shoes do they need?
2. Can you stomp from one side of your room to the other? How many steps does it take? Now, ask your family member to do the same, do they take more or less steps?
3. Who is the tallest member of your family? Who is the shortest? Can you draw everyone in order?

English

1. Practise writing your high frequency words.
2. Draw a picture of your favourite animal: write labels and captions. Finally, complete the sentence
'It is my favourite because...'
3. Choose a story book. Can you be a phonics detective and spot digraphs and split digraphs?

Science

Visit a local farm (Stepney City Farm?) and record a short video where you describe what your favourite animals and why. What did they look like? Find out what they eat!

Geography

Visit your favourite place in your local area. It could be the park, the library, the shops or a certain street. Can you name everything you see there? Draw and label a picture of what you see, including buildings and people.

Conversation Corner

Tell your family all about the guinea pigs at school!
What are their names? What do they eat/drink? How do you look after them?

Design and Technology

How many ways can you prepare a cucumber and a carrot for a Teddy Bear picnic? -

Can you **cut it in half**? Can you cut it into **long thin strips**? Can you cut it into **thick circles**? Can you cut **thin circles**? Can you **peel the skin off**?

Choose one of these options to do over the weekend during the spring term and share it with your teacher on Google Classroom or take it in to school.

Music

Follow the instructions to make a Big Box Bass. It makes a fun twanging sound like a double bass! Take a picture or video playing your instrument!

http://teach.files.bbci.co.uk/bringthenoise/activities/found_sounds_big_box_bass.pdf

Computing

Play a game where you have to decorate a bear! Then, have a go at creating your own scene.

Log into Purple Mash, search for **2Do it yourself**. Open this and click on **Drag**.

Wellbeing

Humans need water, food and shelter to survive. But what do we need in order to be happy? Discuss this with a family member, and think of three things you need to stay happy.

R.E

Watch this story:

<https://www.youtube.com/watch?v=FrTFAZPQxpE>

Then, video yourself retelling the story to your family using actions.
