

Year 1

We Love London

Read your book for 20 minutes everyday.

Maths

1. Share items equally between you and your toys.
2. Make a picture timetable of your day at home. Can you draw what the clock looks like at each event?
3. How many socks do you have? Can you lay them out in pairs and count them using your 2 times table?

English

1. Act out your favourite bedtime story to your family.
2. Practise reading and writing your high frequency words. Can you put them in a sentence?

3. Make a Thank You card for someone who has been kind to you.

Science

It's time to press some flowers!

<https://www.nhm.ac.uk/discover/how-to-press-flowers.html>

Make a picture and then name the flowers in your picture!

Geography

Which London landmark would you like to visit?

<https://primaryfacts.com/london-facts-information-and-resources/> Choose what you

would like to see and plan your visit.

Take a trip with your family. Don't forget to take a photo!

Conversation Corner

At dinner time, share something that made you happy that day and ask your family to do the same.

Design and Technology

Find a toy vehicle that you can carefully take apart.

Arrange all the parts on A4 paper. Which parts can you name & write? Take a photo.

Now put the parts together again.

Choose one of these options to do over the weekend during the summer term and share it with your teacher on Google Classroom or take it in to school.

Music

We're in the big city in this music programme! Follow along with the movement and sound cues as we take a trip to the market, mind the traffic and see the city at night:

Computing

Can you make a poster to explain to others how to stay safe online. Think about:

- Making sure an adult is there
- What do you do if something pops up

Wellbeing

Ask your parent or carer to take you on a walk somewhere in London.

What can you see? What can you hear? Do you feel different when you are outside, from when you are inside? Discuss with your parent/carer.

R.E

Take a virtual tour of a synagogue using this link then complete the activity.
