

Year 2

The Secret Garden

Read your book for 20 minutes everyday.

Maths

1. Make a pizza or cake with your family. How can you share it equally between everyone?
2. Go on a shape hunt. Which 3D shapes can you find? Are there any 2D shapes you can find on the faces of the 3D shapes?
3. Make a tally chart for everytime someone changes the TV channel. Who changes it the most?

English

1. Think of an animal that lives in a garden... Write a story about your animal. Remember, your story needs a beginning, middle and an end.
2. Listen to the Story of **Peter Rabbit**:
<https://www.youtube.com/watch?v=uN02b6sgHBk>
3. Learn this song all about planting!
<https://www.youtube.com/watch?v=cRhGOdqWllo>

Science

Describe your perfect meal! It has to have 2 healthy parts to it. What would you have on your plate and why? How much protein / carbohydrates / fats are there?

Geography

Be a top navigator! Choose one of your favourite places to visit in your local area. It could be the park, the library or the shops. Write directions to this location. What language will you use to direct them? Can your family get to your destination by following your directions?

Conversation Corner

Discuss the following with your family: How can we look after public parks? What can we do or not do? How should we behave? What should we do if we see something we don't like?

Art and Design

Watch the video:

https://www.youtube.com/watch?v=UQ_QatXoyQw

Find & pick a dandelion flower. Put it in a small glass or jar with some water. Take a photo of it every day for 5 days. What changes can you see?

Choose one of these options to do over the weekend during the spring term and share it with your teacher on Google Classroom or take it in to school.

Music

Make a Jam Jar Xylophone:

http://teach.files.bbc.co.uk/bringthnoise/activities/found_sounds_jar_xylophone.pdf

Can you compose a short melody on your Xylophone?

Computing

Create your own 'pairs matching game' on Purple Mash. What will the items you have to match on your game?

Log into Purple Mash and search for '2Do It Yourself'. Click on this icon and then choose the **Pairs Activity**.

Wellbeing

Ask your parent/carer very kindly to buy you a plant. Take responsibility for it. Look after it; water it; give it sunlight; watch it grow. Remember, it is *your* plant to nurture. Good luck!

R.E

Prepare a food item that you would enjoy during a celebration.

Take pictures to share with your class.
