

Year 2

Globetrotters

Read your book for 20 minutes everyday.

Maths

1. Help to measure out the ingredients for baking something delicious. What unit of measurement did you use?
2. Record how long it took you to do 5 activities in a day. Order the activities from the shortest to the longest time taken.
3. How many days are in a week, a month and a year? Are there any months that are different?

English

1. On a special trip, write a postcard or letter about your day and post it to your new teacher at school.
2. Practise reading and writing your high frequency words. Can you put them in a sentence?

Science

Make an animal fact file! Choose a fascinating animal, include a picture. Think about: what does it eat (animals/plants), where does it live and why?

Geography

Take a trip to the zoo. Pick your 3 favourite animals there and find out where in the world they live. What is countries and continents would they be found in? Don't forget to take photos to share with your classmates.

Conversation Corner

Ask a family member which countries they have visited. Then, ask them what their favourite memory is from that country.

Art and Design

Be an architect! - make a 3D model of a famous building using objects that you find around your home - but you cannot use glue or tape. Watch the video for top tips.
