

Year 4

Extreme Earth

Read your Accelerated Reader Book for 20 minutes everyday.

Maths

1. Ensure you know your 4, 6, 8 and 9 times tables and their corresponding division facts.
2. Write down all your family members' dates of birth in Roman Numerals.
Eg. 16/09/2003 = XVI/IX/MMIII
3.

7	6	5	4	1
---	---	---	---	---

 - a) Create the largest odd number from the digits above
 - b) Create the smallest even number from the digits above
 - c) What's the difference between them?

English

1. Create a google slide presentation on the Yeti: a mythical mountain creature.
2. Read all about volcanoes on The National Geographic kids' website.
<https://www.natgeokids.com/uk/discover/geography/physical-geography/volcano-facts/>
3. Play 'Would you rather...' with your family: Would you rather climb a mountain in the blazing heat or the pouring rain? Would you rather eat a worm or an ant?

Science

Do some baking with an adult. What state are all your ingredients in (solid/liquid/gas). When you change their state, can you get them back again? What kind of change is this?

Geography

Research about a particular volcano, and create a google slides presentation using images and key facts about your chosen volcano. Will you write about Mauna Loa, the world's' largest active volcano? Or Mount Vesuvius, which destroyed Pompeii?

Spanish

Can you match the food to the correct word?

https://www.pandatree.com/match/?gameID=Food_vocabulary&lang=spanish&theme=silver-tree&card=number&iframe=1

Design and Technology

Most things in your home have been designed or engineered. Using the activity sheet you were given, try this design and engineering challenge and go on an object hunt.

**Choose one of these options
to do over the weekend
during the summer term and
share it with your teacher on
Google Classroom or take it
in to school.**

Music

Create a poster that describes the features of Folk Music. Can you find 5 examples of songs from the Folk Music genre on youtube? Which song is your favourite and why?

Computing

Create responses to an online safety dilemma on Purple Mash.

In Purple Mash, search for 'Dilemmas'.

Wellbeing

Take your family to Greenwich park and walk to the top of the hill where you'll find the Royal Observatory. What can you see? Take a photo of yourself at the top? You are 43m above sea level: you'd need to walk up that hill 205 times to reach the top of Mount Everest!

R.E

When you were born, what special ritual or celebration did your family do for you? Create a video sharing and explaining photographs of the event.
