

Nursery

Me & My World

Have a bedtime story every night!

Maths

1. Can you place your toys in order from smallest to biggest?
2. Can you draw around your fingers to show to numbers 1-5?
3. Build your own rocket. How tall can you make it?

English

1. Sing 'Old MacDonald had a Farm' with your family. Don't forget to make the animal noises and add actions!
<https://www.youtube.com/watch?v=tmocNb8CYLk>
2. Write list of things you need from the shops. Then go and buy them!
3. Set up a Teddy Bear Picnic at home and role play as a family.

Communication and Language

When you get home from school, talk about your day: Who did you play with? What did you like about your day? What did you have for lunch? Tell me what you played or played with today.

Physical Development

On a rainy day, take your family puddle splashing.

Put wellies and waterproofs on and find the biggest puddle to jump in.

Wellbeing

Can you show me what it looks like to be happy? Can you show me, on your face, what it looks like to be sad? Can you show me, on your face, what it looks like to be excited?

Being Expressive

Can you learn the song 'The big ship sails on the ally-ally-oh' with an adult at home?

<https://www.bbc.co.uk/teach/school-radio/music-ks1-sun-sea-song-1-the-big-ship-sails-on-the-ally-ally-oh/zb7spg8>

Choose one of these options to do over the weekend during the spring term and share it with your teacher on Google Classroom or take it in to school.

Expressive Arts and Design

Blue, Red & Yellow - they are the special colours we call Primary Colours. Go on a Primary Colour hunt. Collect objects around your home & sort them into colour groups. Take a photo.

People, Culture and Communities

Draw a picture of your favourite place and explain to an adult why it is special to you.

Comprehension

Record yourself playing with toys on your parents phone. Ask your parents to email this video to your class teacher. What exciting adventures can you film with your toys?

The Natural World

Plan to go on a walk to your favourite place. Can you think of 5 things you might see on your journey? When you go on your walk take notice of the things around you. Who can be first in your family to spot the 5 things you talked about?
