

Reception

Me and My World

Read your book every day to your parent/carer and have a bedtime story every night!

Maths

1. Play '**Simon Says**' using the language of 'on top of', 'under', 'behind', 'in front' and 'next to'.
2. Collect some objects and see if you can guess how many there are. Count them after to check.
3. Go on a shape hunt. How many circles can you find?

English

1. Practise reading and writing your high frequency words. Can you put them in a sentence?
<http://www.familylearning.org.uk/images/hfwordsrec.pdf>
2. Retell your favourite story to your family - don't forget to use actions!
3. What's your favourite sandwich? Write a list of the ingredients you need. Go to the shop to buy the items and make it at home.

Communication and Language

Find out what your family members do as a job.

Talk about what you'd like to do when you are older.

Physical Development

Take your family to your local park and play on the climbing frame. Go on a slide, a swings and climb as high as you can.

Wellbeing

Friends are very important at school. Who do you play with? What games do you play together? Think of three ways you can show kindness to your friends at playtime. You can draw these, if you wish, or discuss with a parent/carer.

Being Expressive

Can you listen to and follow the musical cues and movements in this special programme about Autumn? Ask an adult to take a video or picture of you joining in!

<https://www.bbc.co.uk/sounds/play/p047txhg>

Choose one of these options to do over the weekend during the spring term and share it with your teacher on Google Classroom or take it in to school.

Art and Design

Collect sticks from the park. Make you & your family as stick people. Dress them with fabric, paper or leaves. What adventures will they go on?

People, Culture and Communities

Watch the Christian story of Easter:
<https://www.youtube.com/watch?v=Wnbo2AmS3OI>

Computing

Have a go at the Number Blocks game on CBeebies. Practise your mouse control skills!
<https://www.bbc.co.uk/cbeebies/games/numberblocks-make-and-play>

The Natural World

Take a trip to the park and look carefully at the nature you see there. Can you name any plants or animals? How do animals and plants change during the year? Take some photos at the park each time you visit to help you notice what's different each time.
