- Thursday 4th July: Polling Day - School Closed**
- Thursday 11th July: Pupil Reports & Parent Celebration Day
- Tuesday 23rd July: Last Day of School  
**1:30pm Finish**

Dear Parents & Carers,

Everyone at Bygrove hopes you've all had a great week.

We are looking forward to Be Healthy Week which kicks off on Tuesday with cricket workshops and Sports Day on Wednesday. On Friday, the children will be celebrating 'Going To Work' day which was invented by Ameerah Miah in Year 5. The children really enjoyed dressing up as different professions last year & talking about their aspirations for the future. We can't wait to see what they choose this year!

We will also be celebrating Eid next week so please keep an eye out for any announcements or emails from the office team.

We would like to wish our Muslim families & colleagues wonderful Eid celebrations.

The school will be closed for Eid on Monday 17th June but we expect to see all children in school on Tuesday 18th.

Eid Mubarak!

Fiona

<b>All Afterschool Clubs</b>	£18.50
<b>Cooking Club</b>	£21.00
<b>Clubhouse Ad-hoc</b>	£2.00
<b>Hall Hire - lettings</b>	£60 per hour

# Year 1

This week in maths, Year 1 were introduced to statistics. We have been looking at pictograms and exploring how data is represented. With our talk partners, we made our own pictograms about Year One's Favourite Landmarks. From our data, London Eye was the most popular and Buckingham Palace was the least popular. Take a look!

## Year 3

Year 3 had the most incredible time at Kew Botanical Gardens last Friday. We started off strong exploring all the elements plants need to grow in the children's garden. We then ventured into the Treetop Walkway. This was undoubtedly one of the highlights of the day. Walking among the treetops us a bird's-eye view of the gardens and a sense of what it felt like being high up in the canopy. Next, we took a stroll into the stunning Palm House, where we were surrounded by a lush variety of tropical plants. We were fascinated by the towering palms and vibrant flowers, and the humid environment gave us a taste of what it feels like to be in a rainforest. We ended our visit with a trip with a visit to the Princess of Wales Conservatory. We were particularly excited to see the carnivorous plants section. We amazed by the Venus flytraps, different types of cactus and pitcher plants, learning how these plants trap and digest their prey.

Our trip to Kew Botanical Gardens was an extraordinary adventure filled with learning, exploration, and fun. We all left with a deeper appreciation for the natural world and deeper curiosity about the plants around us.

## Year 6

Year 6 has been exploring the different reasons why people migrate in their history lessons. The children have interviewed someone that they know has migrated to the UK and interviewed them to find out their reason for migration and their experiences.

They are now putting together a presentation to share with their class.

## Year 2

This week Year 2 have begun learning all about the capacity of objects. First they were asked to measure the capacity of beakers in cups. They had to see how many full cups it would take to fill each beakers. They were then able to order the beakers from the least to greatest capacity.

Next, the children were introduced to millilitres and litres to allow them to accurately measure amounts. They were given three potions to make with specific measurements. They accurately measured the ingredients in ml and then mixed them to discover what colour the potions would make.

Potion 1	Potion 2	Potion 3
red 20ml	yellow 40ml	red 20ml
blue 30ml	red 10ml	green 40ml
Pink/Purple	blue 10ml	yellow 10ml
	green 10ml	blue 10ml
	Lime	Peach

Measuring Capacity	
	Number of cups
Beaker 1	I
Beaker 2	III
Beaker 3	IIII I
Beaker 4	IIII IIII

## Reception Graduation Ceremony

Tuesday 16th July 2024  
9:30am - 10:00am  
School Hall

We are holding a graduation ceremony for Reception where we celebrate all the children's hard work this year.

Parents/Carers are invited and can stay back after the ceremony to take pictures with the graduation outfit.

## Reception

The children have worked with our performance specialist to put together a dance, two songs and a mime with a poem that they would love to share with you.

The children will wear a traditional graduation cloak and hat during the assembly so please join us. We would like them to wear something white underneath too.

Without spoiling it too much, here are the two songs the children will be singing so that they can practise at home.
