Dear Parents & Carers,

We hope that you have been enjoying this glorious weather!

Be Healthy Week has been a great success & the children have enjoyed learning how to grow healthy & strong. The children started the week learning to play cricket with Josh & then competed in teams for Sports Day at Bartlett Park. Thank you to everyone who was able to come along to cheer the children on or take part in the adult races! A big thank you to Atera who had to organise two Sports Days because of the great British weather!

The week finished with Going To Work Day which was inspired by Ameerah in Y5. It was a fantastic day & the children enjoyed sharing their aspirations & dreams for the future. The Bygrove team are confident that our children are going to go on to have brilliant futures from the hard work, compassion & ambition that they demonstrate everyday in school.

We are really looking forward to our annual Summer Fair next Friday. Please collect your children from their classrooms at 2.30pm & join us for an afternoon of fun!

Best wishes & enjoy the sunny weekend,

Fiona

Nursery

In Nursery we have been learning how to look after our bodies and keep ourselves healthy. This week we made flat bread using two simple ingredients - flour and greek yoghurt. We loved getting our hands messy & eating the delicious bread. Every child made their own flatbread following the simple steps:

- 1st - Pour the flour
- 2nd - Pour the yoghurt in
- 3rd - Add a pinch of salt
- 4th - Mix all together
- 5th - Knead the dough
- 6th - Roll the dough
- 7th - Flatten the dough

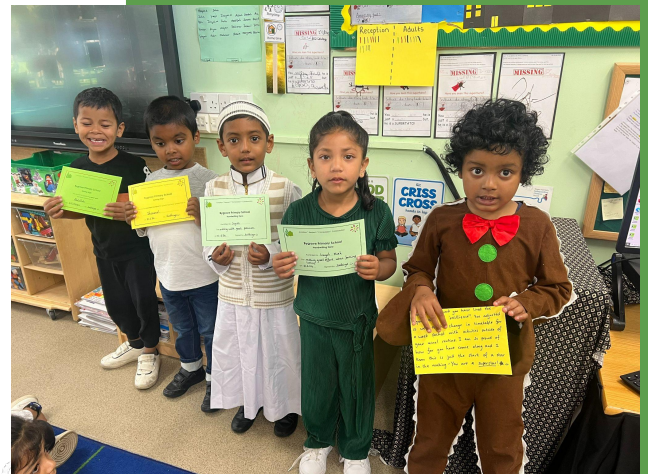

Try it at home - the children will love it!

Sports Day Certificates!

Reception

Last week, Reception went to the Discover Story Centre. They created their own story called 'Princess in Space' during the workshop. They also had the opportunity to explore the sensory play area at the centre.

Cricket Workshop - Year 1

As part of 'Be Healthy Week', Year 1 enjoyed a cricket workshop. Cricket expert, Josh, taught them how to throw and catch a ball, making sure their form and aim was just right. Then they practised bowling and receiving a ball. Great work, Year 1!

Year 1

Year 1 engineers collected the component parts they needed and then set about constructing their wheeled chassis.

Like all good engineers, they had to test their product to make sure the wheels moved well.

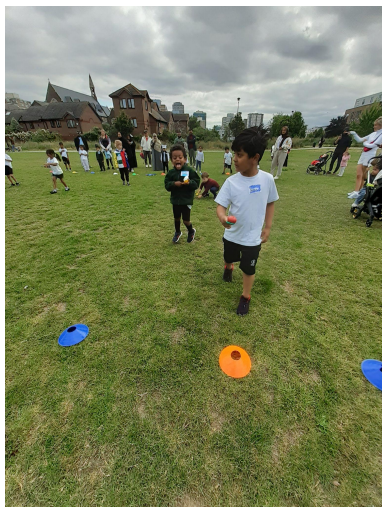

Sports Day

We had a lovely, sunny day over at Bartlett Park for Sports Day. The EYFS children took part in football dribbling, bean bag target throw, then finally the egg and spoon race. The parents really supported by encouraging and participating with their children. There was also a brilliant parent race with some impressive sprinting!

Key Stage 1 and 2 also had an amazing time javelin throwing, target throwing with bean bags and the long jump. We are really proud of how supportive the children were of their team members. They all showed great resilience, teamwork & collaboration and never once gave up. The children absolutely loved the sprinting event at the end and there was a real buzz for supporting and cheering on their friends!

Thank you to all of the parents who supported on the day or prepared their their child in the morning. We had an amazing Sports Day!

Going to Work Day

Year 3 came into school on Friday very excited and dressed up as what they want to be when they grow up. We had a nurse, a doctor, a football coach, an astronaut, and lots of artists.

It's lovely to see the children's enthusiasm and creativity as they express their dreams and aspirations. Their imaginative costumes and the pride they took in sharing their future ambitions is going to make today truly special for all of us!
