After School Clubs - Summer 2024

Ad-Hoc Club House sessions and Breakfast Club will also be starting from Monday 15th April 2024. Each club costs **£17.50 for the term**. The price for the Cooking Club is **£20.00** due to the sessions being longer and the additional resources required. Breakfast Club will cost **£1.00 per day** and Ad-Hoc Club House sessions will cost **£1.50 per day**.

Last club sessions for the summer term is on Monday 22nd July 2024.

Attendance

Our aim is to promote high attendance so that our pupils achieve well at school. Regular attendance and punctuality is also crucial for making friends and developing good relationships.

YEAR 2: ARAFAT

YEAR 3: ELIAS

YEAR 4: MUMENA

YEAR 5: FARIHA

YEAR 6: ZOHAIB

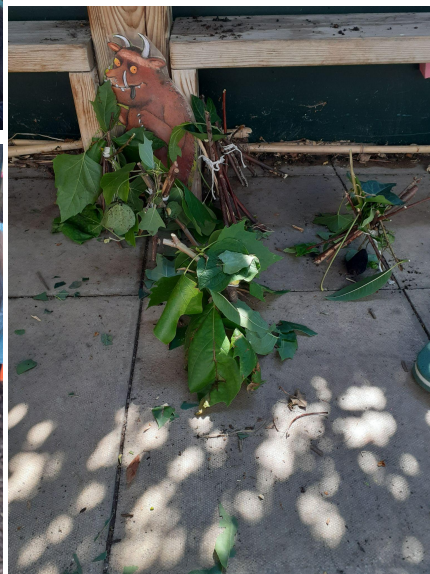

Nursery

Nursery had a brilliant trip to the Thames Barrier Park. They enjoyed exploring the playground area & had a lovely picnic with their adults & friends. After lunch, the children had fun playing with bubbles & footballs. The children got to experience travelling on the DLR in preparation for trips in Reception. Thank you to all of the parents & carers who came along to support on the trip.

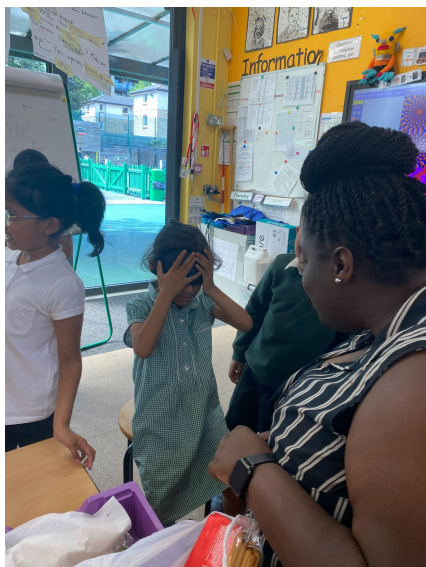

Forest School - Nursery

The children were learning to make little tents with natural materials. They collected some sticks and leaves to build shelters for their minibeasts.

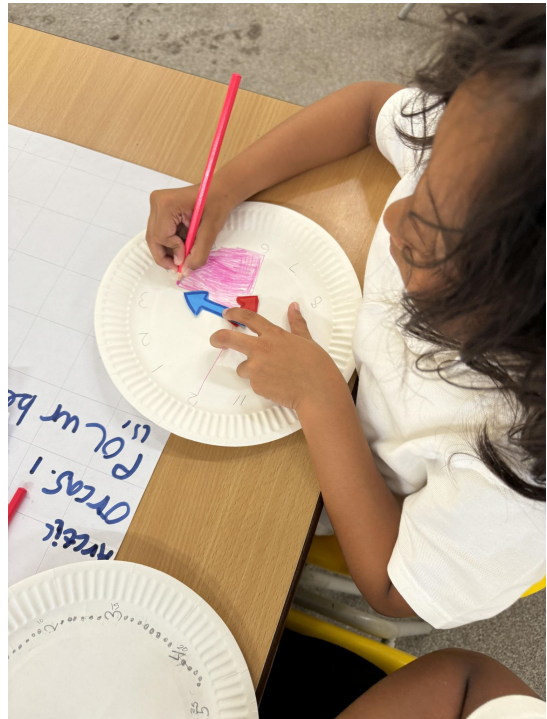

Year 1

In science this week, Year 1 have been continuing their learning about the human body. They were exploring their senses - see, taste, touch, smell, hear. For 'see', they used magnifying glasses to explore colour and optical illusions. For 'taste', Akosua blindfolded them and let them guess what they were tasting. For 'smell', children had to use their nose to figure out what scent it was whereas for 'touch' they had to use their skin to feel different objects and describe them. Finally, for hear, the Year 1's had to guess which sounds they could recognise. It was really fun and exciting!

Year 2

Year 2 have been learning about time this week. They have been looking at past and to the hour. To help them they made their own clocks and then colours the sections of the clock. They were then able to use the clock hands to create times and correctly say the time.

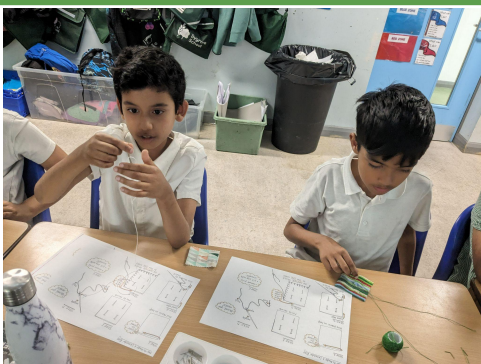

Year 3

In Year 3 we have been enjoying the lovely weather by learning both inside and outside the classroom. The extra space has allowed us to move around freely and collaborate more effectively with our classmates. Yesterday, we completed our information text big write on our rainforest animals and used the outdoor space to review and edit our work with our partners.

Year 4

Y4 are making lavender bags for someone they care for. They've learnt about the uses of lavender throughout history and collected lavender buds. They've also prepared their needle & thread ready for sewing. Excellent work

Y4.

Year 5

Afsheen and Anas in Year 5 were inspired to write poems at home after a conversation they had in school about the hot weather.

Keep cool in school!

DO stay in the shade (away from the sun)

DON'T go for a long run and get cooked like a bun

DO stay cool

DON'T bring water guns into school

DO bring a drink

DON'T go mad without stopping to think!

STAY COOL!

Very IMPORTANT!!!

Anas

Do wear a hat,
Stay hydrated,
Bring a tiny fan.

But **DON'T** run many miles
in the sun, like it was
a Sports Day
marathon
everyone will know,
It **AIN'T** NO FUN!
Don't bring a water
gun,
to keep cool in the
sun.

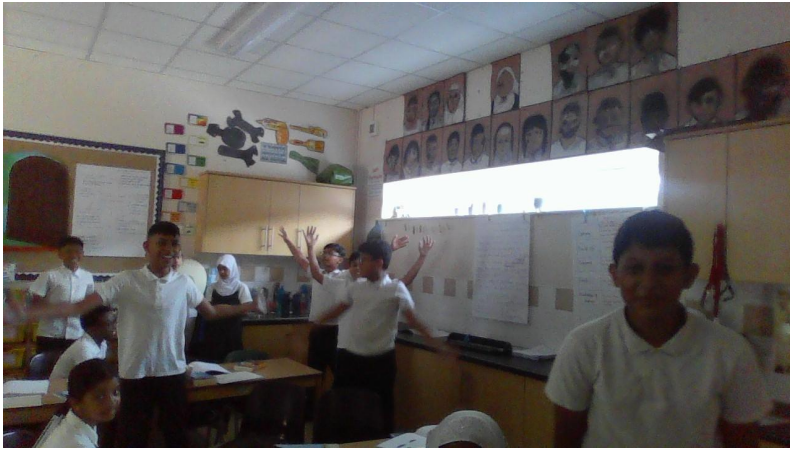

If one starts to bring it,
They will still splash
each
other on!
Do stay in the shade,
You could relax all
day.

But not **TOO MUCH** -
There's some learning
to
be done!

Afsheen

Year 6

Today Year 6 have been looking at the impact that exercise has on your heart rate. They have been working together and recording their findings.

BYGROVE PRIMARY SCHOOL

SUMMER FAIR
