

# The Byword

24th January 2025

[www.bygrove.org.uk](http://www.bygrove.org.uk)

@bygrove\_primary

## Key Dates

- Monday 27th January - EYFS Open Day **4pm**
- Tuesday 28th January - SFSC Induction Day **9:15am**
- Thursday 30th January - Chinese Lunar New Year Special Lunch
- Wednesday 5th February - Spanish workshop **9-9:30am**
- Friday 7th February - Shakespeare Schools Festival
- Wednesday 12th February - Parent Have Your Say Conference **9am-10.30am**
- Friday 14th February - Last day of half term
- Monday 24th February: INSET Day - School closed**

Dear Parents & Carers,

It has been a pleasure to see the children settle into their learning this term. Our curriculum driver this term is science & Year 2 started the term with an informative trip to the Soanes Centre to kick start things off! Please speak to your child about their learning this term to find out what they've been doing in school.

Year 4 are continuing to work hard to prepare for their performance Romeo & Juliet as part of the Shakespeare Schools Festival. Their rehearsals have begun with great energy and we can't wait to see them shine at the Greenwich Theatre on Friday 7th February.

Looking ahead, we have our annual *Parent Have Your Say Conference* on Wednesday 12th February. This is an opportunity to have a cup of tea with our school governors & talk about what you think is going well at Bygrove and how you think we can all work together to make things even better! The conference will take place from 9am in the school hall. We really hope you can attend & are looking forward to hearing your ideas for the future.

Wishing you all a lovely weekend,

Fiona

# After School Clubs: spaces are available!

Our club provision for the Spring term will begin on Tuesday 7th January 2025 including Ad-Hoc Club House sessions and Breakfast Club. Please keep an eye for emails because you will need to pay via ParentPay.

The clubs available:

### After School Clubs - Spring 2024

Each club costs **£18.50 for the term**. The price for the Cooking Club is **£21.00** due to the sessions being longer and the additional resources required. Breakfast Club will cost **£1.00 per day** and Ad-Hoc Club House sessions will cost **£2.00 per day**.

Mondays			
Club House	Nursery - Year 6	3:45 - 5:30	All welcome
Music Production	Years 2 - Year 6	3:45 - 4:45	17 spaces remaining
Tuesdays			
Club House	Nursery - Year 6	3:45 - 5:30	All welcome
Phase 2 Football Club	Years 4 - Year 6	3:45 - 4:45	6 spaces remaining
Wednesdays			
Club House	Nursery - Year 6	3:45 - 5:30	All welcome
Phase 1 Football Club	Year 1 - Year 3	3:45 - 4:45	5 spaces remaining
Thursdays			
Club House	Nursery - Year 6	3:45 - 5:30	All welcome
Cooking Club ( <b>£21 per term</b> )	Years 1 - Year 6	3:45 - 5:00	NO spaces remaining
Fridays			
Club House	Nursery - Year 6	3:45 - 5:30	All welcome

# Attendance

Our aim is to promote high attendance so that our pupils achieve well at school. Regular attendance and punctuality is also crucial for making friends and developing good relationships.

Our whole school attendance target for this year: **97.00%**

Attendance for the week beginning Monday 13th January 2025 - Friday 17th January 2025 (Rec-Y6): **93.41%**

Year	Attendance
Nursery	94.88%
Reception	94.19%
Year 1	91.72%
Year 2	98.33%
Year 3	96.67%
Year 4	94.00%
Year 5	88.28%
Year 6	90.34%

## Last week's attendance

Y2: 98.33%

Well done Y2!

# Medical Tracker Introduction

We will be introducing a more convenient way to keep parents regularly informed about first-aid incidents and medication administration at school, using a service called Medical Tracker.

This system will also allow us to analyse the data we record to improve our response to future incidents and better support pupils' health needs. It will allow us to inform parents/carers of first aid incidents and medication administration by email.

To use Medical Tracker effectively, we need your email address to always be up-to-date to notify you of incidents.

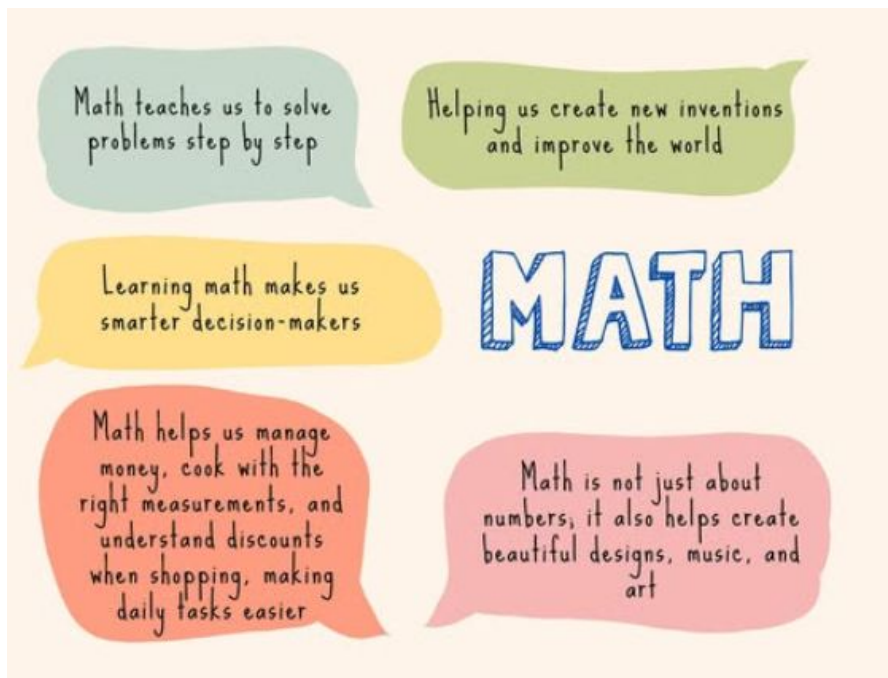

**Important** – email messages will be sent from [donotreply@medicaltracker.co.uk](mailto:donotreply@medicaltracker.co.uk) Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.

## Parent Consultations - Spring 2025

Date	Year Group	Location
Tuesday 25th February	Year 2	Leadership Room
Wednesday 26th February	Year 5	Leadership Room
Wednesday 26th February	Nursery	Therapy Room
Thursday 27th February	Year 1	Leadership Room
Friday 28th February	SLS	Therapy Room
Tuesday 4th March	Year 6	Leadership Room
Tuesday 4th March	Year 3	Therapy Room
Wednesday 5th March	Year 4	Leadership Room
Thursday 6th March	Reception	HT Room

# MATHEMATICS IS IMPORTANT

It is important to support your child at home with maths so that they are the most successful & confident they can be in their learning.

It is key for children to build **fluency** (This means being able to use the four operations  $+$   $-$   $\times$   $\div$  quickly and with confidence. Noticing patterns and using those to solve problems.)

Your child should be using **Mathletics** to revisit the learning they have done in school. We celebrate the learning completed every week!

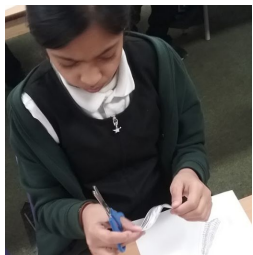

Your child should be quick in the recall of their **times tables**. They must practise frequently to be consistent.

Y1	Y2	Y3	Y4	Y5	Y6
2, 5, 10	2, 3, 5, 10	2, 3, 4, 5, 6, 8, 10	Up to 12	Up to 12	Up to 12

You can also support your child by purchasing workbooks that they can use to practise and complete at home. **CGP** have some great maths workbooks. These can be purchased on their website, amazon or in many popular bookstores.

# Explorers

Determination

Creativity

Confidence

Leadership

Kindness

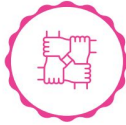

Curiosity

Citizenship

Fairness

Teamwork

## Explorers

**Explorers** is back! The children have had a chance to get to know their new families and will start their Spring term destinations.

In the Spring, each family will complete TWO destinations!

**Here is a reminder of the Bygrove Families:**

**Pacific Explorers**

**Mount Everest Explorers**

**Milky Way Explorers**

**Volcanic Explorers**

**Inca Explorers &**

**Antarctica Explorers**

**Ask your child a fact about their family name!**

Each **Family** will begin a new **Destination** which they will complete over the next four weeks.

Each Destination has a focus on chosen **Behaviours**.

**Please ask your children which Destination they are completing and how they can get better at these Behaviours this half term.**

## **Which Destination are you completing this half term?**

**Adventurers (Y1-3):**

**Poplar Guide** - Focus Behaviours: Confidence & Leadership

**Local Activist** - Focus Behaviours: Citizenship & Curiosity

**Stallholder** - Focus Behaviours: Leadership & Creativity

**Pioneers (Y4-6):**

**London Guide** - Focus Behaviours: Confidence & Leadership

**Global Activist** - Focus Behaviours: Curiosity & Leadership

**Entrepreneur** - Focus Behaviours: Leadership & Teamwork

**We cannot wait to get started!**

# Have a look at your child's **knowledge organisers** this term.

They are put together by subject leaders to help support the children in learning **key facts & vocabulary** about the subjects they are learning.

**Year Group: 5**  
Spring

**Knowledge Organiser: Science**  
**Theme: Properties and Changes of Materials**

**Key Learning**

When solids and liquids are mixed, there are different ways of separating them.

When changing materials, some changes can be reversed, and some cannot.

Everyday materials can be grouped, based on their properties.

**Reversible and Irreversible Changes**

**Reversible**   **Reversible**   **Irreversible**

**Irreversible**   **Reversible**   **Irreversible**

**SOLUTE** Substance dissolving  
**SOLVENT** Liquid the solute dissolves in  
**SOLUTION** Solute dissolved in solvent

**Key Vocabulary:**

Reversible	You can reverse the change, getting back the same initial ingredients
Irreversible	You cannot reverse a change in materials
Soluble	Will dissolve in water
Insoluble	Will not dissolve in water
Dissolve	Will mix with a solid so that it appears to disappear

**Year Group 2**  
Spring

**Knowledge Organiser: History**  
**Theme: The Secret Garden**

**By the end of this unit:**  
You will know how to compare things from the past to now.

**How will you be using your skill of understanding concepts?**

You will ask how and why questions to explore and find out more about the past/ things from the past. You will use photos and objects from the past to help you understand how Poplar has changed. You will compare things from the past to now.

**What have I learnt already:**

In autumn you placed key events in time order. You also looked at sources like photos and then asked questions about it.

**Key knowledge that will be learnt:**

Through using different sources, you will find out what life was like in Poplar in the past.

In the Victorian age, Tower Hamlets opened one of the first schools for families who had little or no money. The Ragged school museum was setup by Dr. Barnardo to help local children have a basic education and improve their lives.

**Dr Barnardo**

Thomas Barnardo was born in Dublin in 1860. He became a Doctor in 1876.

During his lifetime he was to become one of the most famous men in Victorian Britain due to his work with orphans.

**Key questions:**

- What did the buildings in Poplar look like in the past? How have they changed?
- What food was available before and what is available now?
- What did the streets of Poplar look like before and what do they look like now?
- What religious beliefs was mostly followed in Poplar before? How has that changed?

**Key Vocabulary:**

source	Something that tells us about the past
diversity	Having lots of ways that people/things are different
Victorians	People who lived during the reign of Queen Victoria, from 1837 to 1901
representation	To be a sign or symbol of something or someone
population	Number of people living in a certain place

# Assembly

As a part of Dr. Martin Luther King Day, the whole school revisited the key messages from the famous speech 'I have a dream...' Children took the time to reflect on their own hopes and dreams for the wider world.

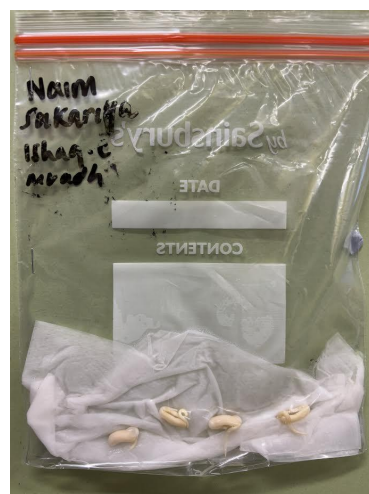

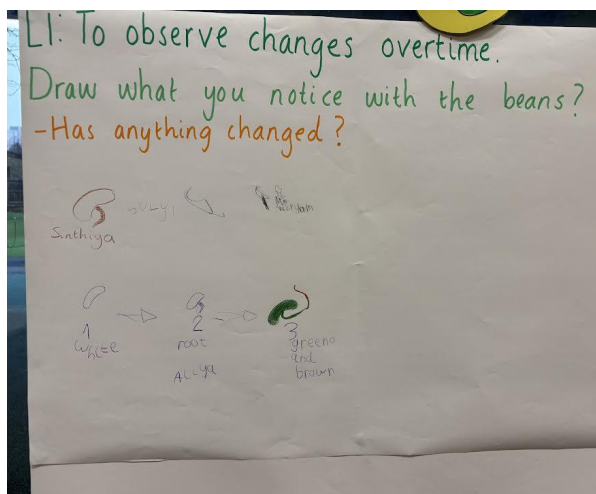

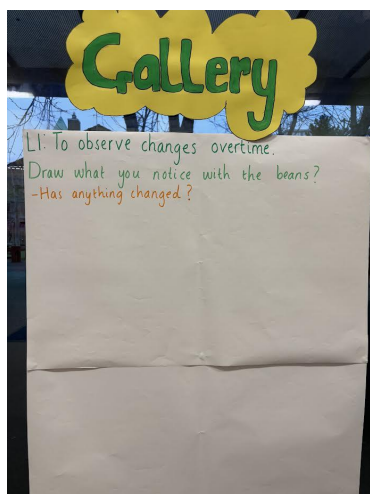

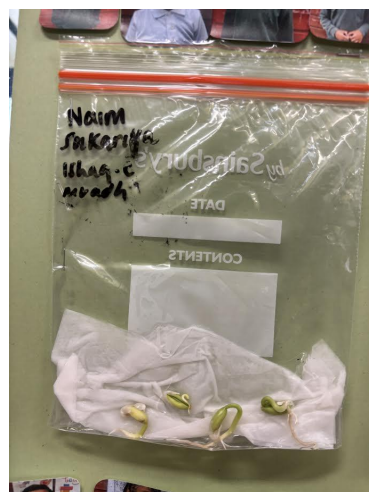

# Nursery

Our Nursery children have enjoyed planting garlic and onions this week at Forest School.

# Reception

In science, Reception are observing changes that occur overtime. They have planted dwarf beans and created a greenhouse display so that they can notice the changes they see as the beans grow.

# Reception

As a part of the half termly lunchtime healthy cooking sessions, this week a group of children made pumpkin omelettes. The children had great fun & enjoyed their healthy lunch. Have you tried pumpkin omelette before? You can use our recipe and let us know what you think.

# Pumpkin Omelette Recipe

Made by Bygrove's little chefs :)

## Ingredients

Pumpkin 1 KG, Mozzarella cheese 3 cups

Plain flour 1 cup, Milk 2 cups

6 Eggs, Butter 2 tablespoons

Salt 1 tablespoon, Cinnamon 2 sticks

## Directions

Peel the pumpkin and cut it into pieces.

In a pot put pumpkin pieces along with cinnamon sticks, salt and enough water to cover the pieces. Cook it for 15 to 20 minutes.

After the time has past remove pumpkin pieces from the pot and put it in a bowl.

Crash the pumpkin pieces and add eggs, flour and milk in mashed pumpkin and mixed them together until we get a smooth batter.

In a frying pan add a little butter, now place part of the mixture and spread it.

Cook over low hit, when it's done add 1 handful mozzarella cheese and close it in the shape of an omelette and let the cheese melt.

When it's ready take it out carefully and **Enjoy!**

The children in the SLS were beginning a fortnightly focus on "Space and Air". We explored this topic through different media using "Messy Play" with bubbles, shaving foam and ice. Using our senses we explored different ways we could blow bubbles using straws, rolls and our mouths. We investigated shaving foam with our sense of touch to describe how it felt on our hands. We observed how ice can slide and saw how it melts.

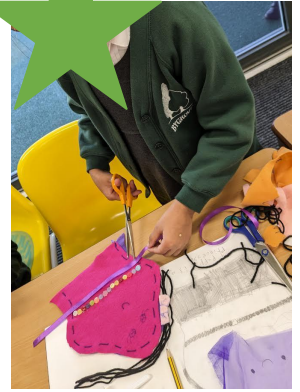

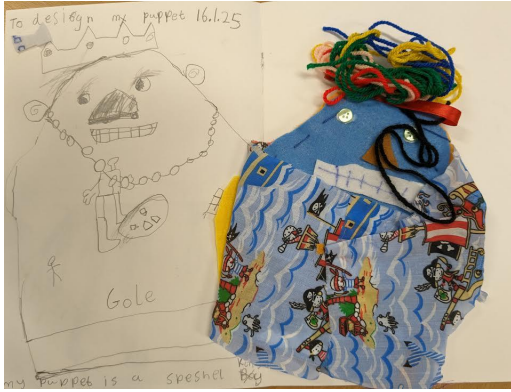

## Year 3

Year 3 have been learning about lever & linkage mechanisms and become quite expert in constructing them accurately. Now they're starting to design & make moving greetings cards for specific people. Brilliant work, Year 3!

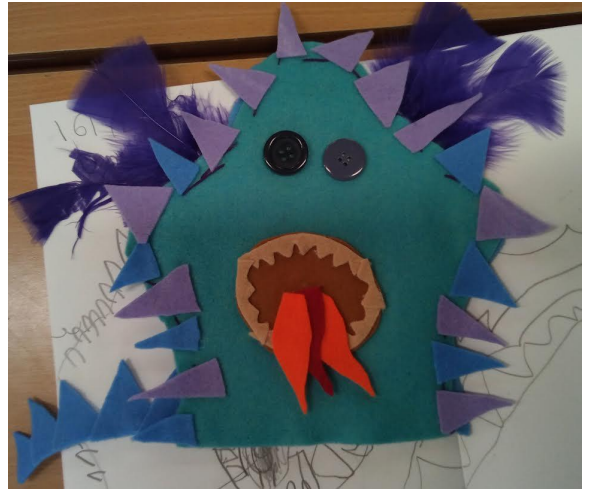

# Year 2

Some wonderful designing & making of very characterful puppets happening in the Year 2 classroom. We loved this!

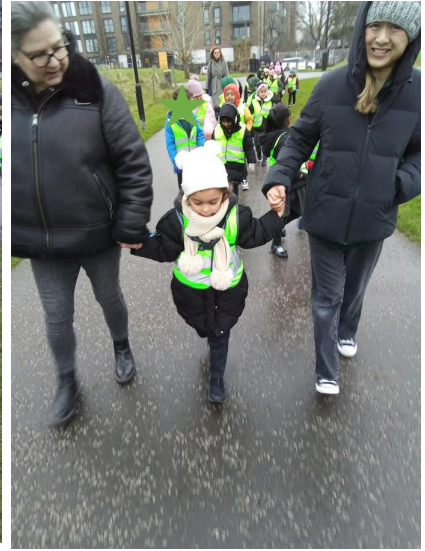

Year 2 have continued working on designing their puppets in D&T this week. They decorated some fantastic, vibrant puppets using their sewing skills!

# Year 1

Year 1 went on a winter walk this week to explore all of the different signs of winter. Before leaving school, they all wrapped up warm in their coats, scarves and hats. As they knew that in winter it is cold outside. During the walk the children noticed lots of the trees were bare and had no leaves on them. They also noticed the grass was wet, stodgy and the mud was very soft. The children said this happens because in winter it rains a lot and so the ground gets very wet. Finally, the children took a photo in-front of the biggest tree in the park. They will be returning in spring to see if anything has changed.

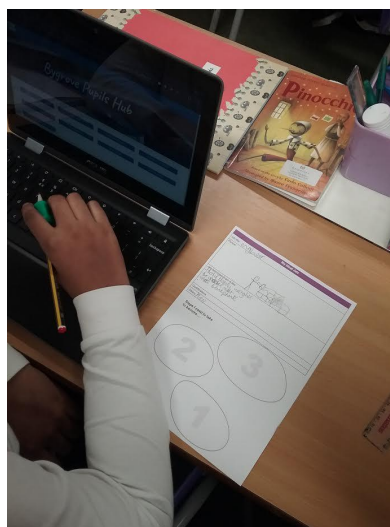

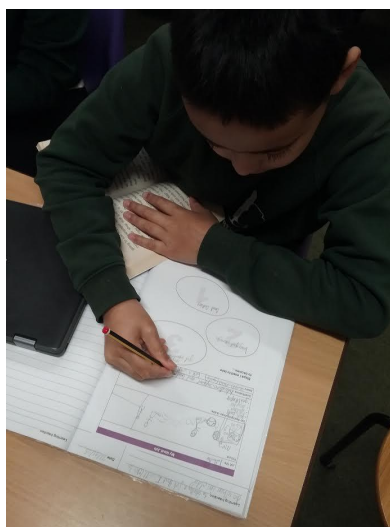

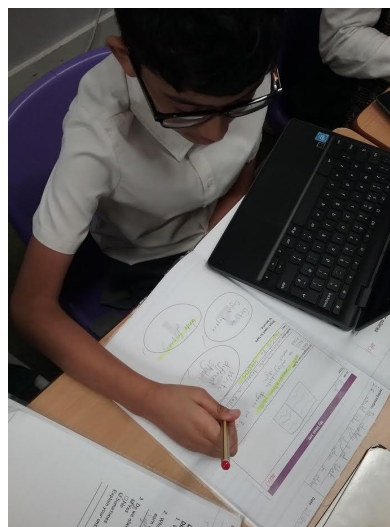

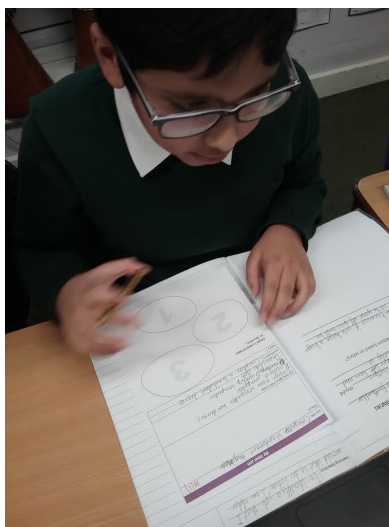

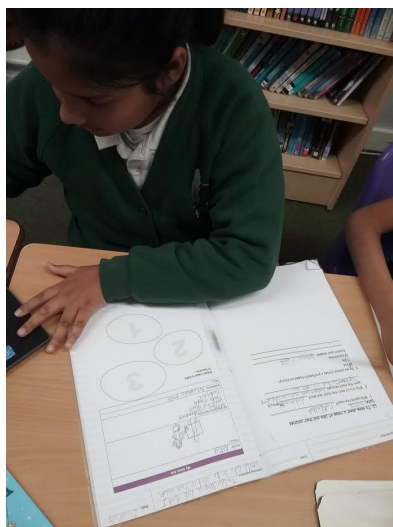

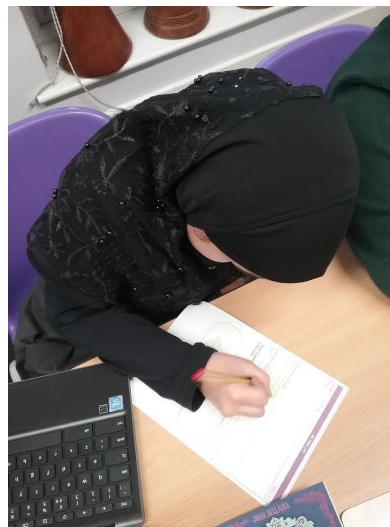

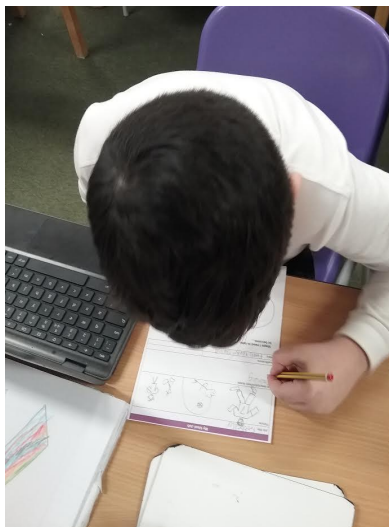

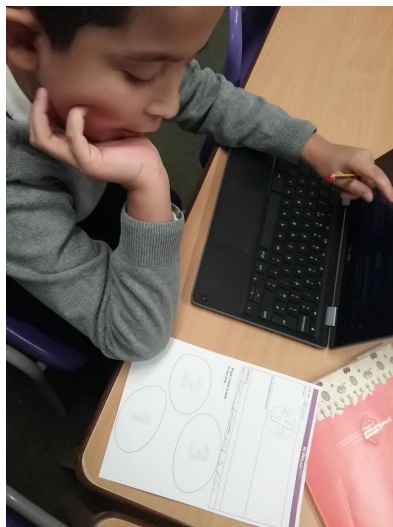

This week Year 1 have been exploring Scratch Jr as part of their programming unit in computing. The children have been learning how to join programming blocks together to create an algorithm with a starting block, movement blocks and an end block. By combining all of these together the children were able to create an algorithm that their sprite on the screen would follow.

# Year 5

This week in PSHE, Year 5 have been identifying what job they would like to do when they are older. They had to see what would motivate them and what steps they would need to take in order to achieve their dream job.

# South East Locality Activities for children under 5 Spring Term Timetable 2 January - 21 April 2025

## Children and Family Centres

Children and Family Centres aim to improve outcomes for all children, young people and their families. They provide access to a range of universal and targeted services, support with any concerns and play a major part in early identification and early intervention.

## What are our aims?

- To support parents in their role as first educators.
- To empower families to access a wide range of care, play and support services.
- To be a centre for joined-up services with partners.

## What are our priorities?

- Health and wellbeing.
- Childcare and employment.
- Parenting confidence and capacity.
- Child development and school readiness.

## Can I use my Children and Family Centre?

We prioritise families using the following order:

- Children living in the South East locality (based on your postcode).
- Children living within the borough of Tower Hamlets.
- After 30 minutes the drop in play sessions are open to all families living in the borough.

# School applications are now open

**Don't miss the deadlines for admission to secondary, primary and nursery schools.**

<b>Secondary admissions</b> For children born between 1 September 2013 and 31 August 2014	<b>31 October 2024</b>
<b>Primary admissions</b> For children born between 1 September 2020 and 31 August 2021	<b>15 January 2025</b>
<b>Nursery admissions</b> For children born between 1 September 2021 and 31 August 2022	<b>16 February 2026</b>

Complete your application online at [www.eadmissions.org.uk](http://www.eadmissions.org.uk)

For information about how to apply, scan the QR code or visit [towerhamlets.gov.uk/schooladmissions](http://towerhamlets.gov.uk/schooladmissions)

[school.admissions@towerhamlets.gov.uk](mailto:school.admissions@towerhamlets.gov.uk)

### **What if I am not a Tower Hamlets resident but would like a place at a Tower Hamlets school?**

You can submit an online application via the E-admissions website:  
**[www.eadmissions.org.uk](http://www.eadmissions.org.uk)**  
naming Tower Hamlets schools.

### **What if my child has an Education, Health & Care Plan (EHCP)?**

The application process is different for children with an EHCP and you do not apply online. Contact the SEN team for more information.

### **What if I apply late?**

It's really important that you make your application before the closing date otherwise your application will not be considered until all on time applicants have received their outcomes and the school may then be full.

### **Is my child guaranteed a place at one of our preferred schools?**

Most families will be offered a place at one of their preferred schools, but this cannot be guaranteed. When a school receives more applications than the number of places available, not all children can be admitted. Therefore, please fully consider the likelihood of your child getting a place at a preferred school before you make your application. **Only naming one school does not increase your chances of being offered the school.**

### **If my child is already in the school's nursery class, is there an automatic right to a place in the school's reception class?**

When parents/carers apply for their children to start reception, no priority is given to children that attend the nursery of the school. The decision on whether a place can be offered will be made in accordance with the school's admission policy.

### **How will I be notified about the outcome of my application?**

You will receive an email and a letter on National Offer Day.

**SCAN ME**

# NURSERY

## Places Available!

Do you have or know someone with a child born between 1 September 2021 and 31 August 2022?

Apply now via [www.eadmissions.org.uk](http://www.eadmissions.org.uk)

They can start with us in September 2025

DID YOU  
KNOW?

We also offer places to rising 3-year-olds to start nursery a term after turning 3 years old!

Please contact the school office on 020 7538 4925 or email [admin@bygrove.org.uk](mailto:admin@bygrove.org.uk)
