

Year 1

Autumn

Knowledge Organiser: Computing

Coding

What have I learnt already?

Ordering

I know that putting instructions in order is important.

3 4 1 5 2
↓
1 2 3 4 5

Instructions

I can make a toy go in the direction I want.

Key learning

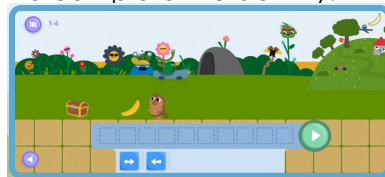

Command

A command is when you give a character an instruction to follow.

Ordering Commands

Putting lots of commands into the right order to complete the activity.

Key Vocabulary:

Order 3 4 1 5 2 The **sequence** things should go in

1 2 3 4 5

Sequence  A set of **instructions** that are followed **in order**

Command  An **order from us** to the computer **to do something**
