

# Year 1

Autumn

## Knowledge Organiser: Computing

E-Safety

### What have I learnt already?

#### Stranger Danger

I know a stranger is someone who I do not know and I know that I should not talk to them.

#### Being Safe

I know how to be safe in the real world.

### By the end of this unit I will be able to:

- explain the difference between **public** and **private information**
- know who to **ask** for **help** when **online**
- identify situations where on-screen request need **checking**
- know it is important to be respectful when communicating online
- compare being **unkind** online to being unkind in school or at home
- describe how to respond to hurtful comments and cyberbullying

### Key Vocabulary:

Personal Information

This includes your **name**, **address**, **school** and **birthday**

Safe

To be protected from **harm** or **danger**

Communicate

**Sending** and **receiving information** between two people

Problem

A problem is something that **stops** you from completing an activity

Unkind

Being unkind is when you say or do, **mean** or **cruel** things to each other

Cyberbullying

Cyberbullying is **bullying** that takes place **online**
