

Year 5

Autumn

Knowledge Organiser: Computing

E-Safety

What have I learnt already:

-Why **posting negative/hurtful comments & pictures is wrong**

- Explaining how to respond to **cyberbullying**

Staying Safe - SMART

Describe the SMART rules for staying safe online

Understand and explain why sending and receiving messages can be dangerous

Explain why it is wrong to post negative/hurtful comments and pictures

By the end of this unit I will be able to:

- understand that once **information** is online it is very difficult to remove

- know what a **digital footprint** is

- explain when to **report** an **online issue** to someone in authority

- understand that your **data** might be stored and used for advertising

Key Vocabulary:

Digital Footprint

The trail of **information** you leave behind when you use the **internet**

Consent

To give **permission** for something to happen

Data

Facts and **statistics** collected together for reference or analysis

Relevant

Closely connected to what is being done
