

**Year Group: 5**

Spring

**By the end of this unit:**

You will be able to use historical enquiry to understand that we can learn about the past from a range of sources

**How will you be using your history skills?**

You will compare a range of sources (primary and secondary) to understand different viewpoints of a historical event.

**What have I learnt already?**

You have learnt:

Primary Source = directly from the past

Secondary source = about the past

**Knowledge Organiser:** History

**Theme:** Space Race

**Key knowledge that will be learnt:**

During the 1950s, the USA and USSR were in a race to conquer space.

This was a part of what was called The Cold war (a war with propaganda and military warfare.)

**The first man to land on the moon was \_\_\_\_\_ on July 20th 1969.**  
**The first man in space was \_\_\_\_\_ on April 12th 1961.**  
**The first dog in space was \_\_\_\_\_ on November 3rd 1957.**  
**The first woman in space was \_\_\_\_\_ on June 16th 1963.**

The Space Race helps us learn about **bias**; an inference made in favor of one group of people - usually unfair.

**Key Vocabulary:**

propaganda	an organised sharing of ideas - sometimes false ideas.
super power	one of the most powerful countries in the world
agencies	a company or organisation that work together
classified	protected information
perspective	a way of thinking about and understanding something
interpretation	to explain how we understand something
