

Year 5

Knowledge Organiser: Spanish Clothes

You will learn how to:

- talk about what you are wearing and ask others what they are wearing
- start to apply rules connected to adjectival agreement correctly - understand others (in reading and writing)
- create more interesting extended sentences
- explore the patterns in regular verb conjugation to enable you to say what we are wearing

What have I learnt already:

- The letter sounds (phonics) L1/ 2
- colours and simple adjectival agreement (nationality in 'Me Presento').
- Understand that nouns have gender and this has an impact on other words in a sentence – like the spelling of the adjective.
- Understand the differences between definite and indefinite articles.

Key knowledge that will be learnt:

there are 4 different words for our English words 'a' or 'an'?

Un Una Unos Unas

una/una	→	mi
el/la	→	mi
unos/unas	→	mis
los/las	→	mis

Phonics & pronunciation we will see:

Recommended phonics focus: GA GE GI GO GU

- **GA** sound in **gafas**
- **GO** sound in **gorra** & **abrigo**
- **GU** sound in **guantes**
- **Stress Placement.** Words that end in a consonant (apart from 'n' or 's' should be stressed on the last syllable. For words that end in a vowel or 'n' and 's' it is normally the second to last syllable like **guan-tes**, **a-bri-go**, **blu-sa**, **san-da-lias** and **cha-que-ta**.
- **Accents.** Accents can only be written over vowels in Spanish and indicate the vowel is stressed – regardless of the other rules! As seen in **lle-váis**.
- **Ñ tilde.** This changes the 'n' to a 'ny' sound like in the English word onion. It is another letter in Spanish not just another phoneme as in **baño**.
