- **Monday 22nd December 2025 - Friday 2nd January 2026: Christmas holidays - School Closed**
- **Monday 5th January 2026: INSET Day - School Closed**
- Tuesday 6th January 2026: All children return back to school

Dear Bygrove Parents and Carers,

We have almost reached the final week of the first half of the autumn term and what a fantastic seven weeks it has been! The children have settled back into school life beautifully and the classrooms are buzzing with learning and creativity.

We are all incredibly excited for the **Year 5 performance of Moana** next Wednesday. The children and staff have been working extremely hard and I know it's going to be a spectacular show. Please be sure to arrive on time to be ready for the start of the show.

A friendly reminder to please sign up for our upcoming **parent consultations** which will take place shortly after the half-term break. These are a valuable opportunity to discuss your child's progress and set targets for the rest of the term.

I would also like to extend a huge thank you to all the parents who have attended our **parent workshops** so far this term. The staff team works hard to create workshops that offer practical and useful support for you at home and your attendance truly makes a difference. You can find details of our upcoming workshops on the school website here: <https://bygrove.org.uk/bygrove-parent-workshops/>. We understand that it's not always possible to attend so we will be making the slides for each workshop available on this same page after they have taken place.

We are thrilled to announce the yearly launch of **Explorers** on Friday 7th November. Friday afternoons in LETTA schools look and feel different from the rest of the week. Children are in mixed age groups, collaborating on projects that, where possible, address real-world challenges. These enable pupils to broaden their horizons, develop their character, and explore their personal interests and talents. Much of this takes place outside classrooms, using the outdoors, the local neighbourhood and other parts of London as resources for learning. All school staff are involved and older pupils are given genuine leadership responsibilities.

During each project, children have the chance to work towards destinations and exhibit the processes and outcomes of their project to others. They have opportunities to reflect on their learning and receive meaningful feedback from peers, school staff and other adults. These projects complement our existing knowledge and skills-rich curriculum which is taught through subject-driven termly themes. We believe that this curriculum, based largely on the national curriculum, provides insufficient opportunities for our pupils to develop the character behaviours and discover the passions and interests that will enable them to thrive, as children and adults. Our explorer curriculum gives us the chance to develop and embed these character behaviours in a more focused, systematic way.

On Friday afternoons, our children are learning, deeply and with purpose, about themselves, the world around them and their place in that world. At the same time, they are having lots of fun!

Wishing you all a restful final week of term.

Best wishes,
Fiona

Fridays			
Clubhouse	Nursery - Year 6	3:45 - 5:30	All welcome

LANGUAGE ANGELS

This week's word is:

"**Árbol**" – which means "**Tree**"

Try using it at home and in school!

Lost and found reminder

Please always label your child's uniform and coats.

We have many items without names in the lost and found.

From Monday 20th October until Friday 24th October we will be setting out a table in the Main Playground at the end of each day with all the lost and found clothes.

Any items not claimed will be repurposed.

Flu Vaccine

There will be optional flu vaccinations for pupils in Reception - Year 6 happening in school on Thursday 23rd October 2025.

Please use this link to opt your child in or out:
<https://london.schoolvacination.uk/flu/2025/towerhamlets>

Consent must be completed for every child in Reception - Year 6!

Breakfast Club

Did you know our **Breakfast Club** starts from **7:45am** and only costs **£1**?

You don't need to book, just join us from 7:45am until 8:30am and make a payment via [ParentPay](#).

Your child can choose to have healthy food options such as panini rolls, bagels, crumpets, yoghurt, cereal, fruit, eggs and more!

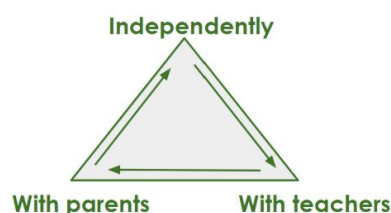

Times Tables

Times tables are extremely important in your child's learning.

They help create links to all kinds of learning!

They are also fun to learn!

There are some great top tips and resources now on the website.

Go and take a look!

<https://bygrove.org.uk/curriculum/times-table/>

WHY ARE TIMES TABLES IMPORTANT?

SUPPORT LEARNING

Times tables serve as a building block for higher-level maths concepts.

With a strong understanding of multiplication, children will succeed with topics such as division, fractions, algebraic equations, and more!

STRENGTHEN LIFE SKILLS

Times tables have practical applications in our daily lives.

From calculating prices and discounts while shopping, to managing budgets, multiplication is an essential skill for financial literacy and general problem-solving.

BUILD CONFIDENCE

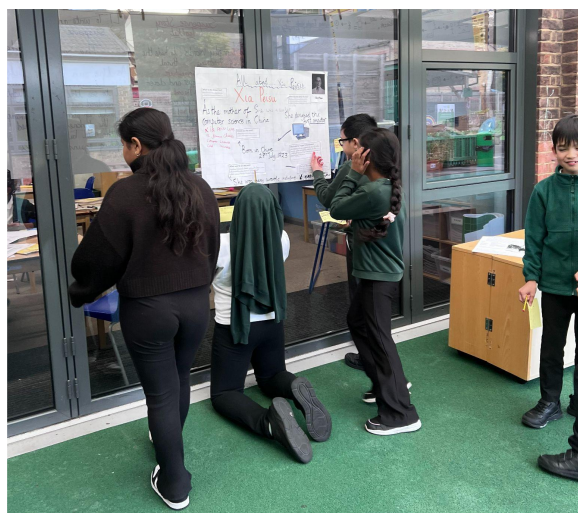

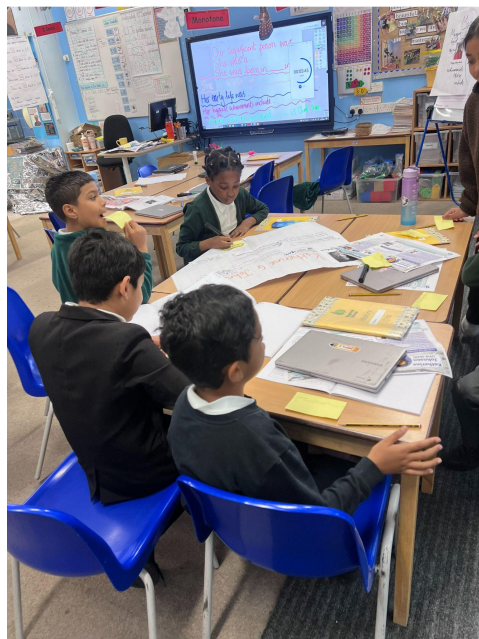

Children feel more confident in their mathematical abilities when they have a solid grasp of times tables.

They'll be up for tackling more challenging mathematical tasks and increase their success and enjoyment of Maths!

Year 4

This week in History, Year 4 have been learning about significant individuals throughout the history of computing.

The children explored what makes someone significant and researched key facts about pioneers who have shaped the development of technology, such as Xia Peisu and Katherine G. Johnson. They then presented their research to the class, sharing fascinating facts and explaining how these individuals' ideas and inventions have influenced the world we live in today.

This week, Year 5 tie dyed their t-shirts in preparation for the Disney show next week Wednesday.

Year 5

Year 3

The Celts (Year 3) were invaded by the Romans (Stebon) last week. They prepared for battle by creating some magnificent shields of armour, elected a leader (Boudicca) and practised their matching and chanting. Despite putting on an incredible show and battling to the last, unfortunately the Romans were able to conquer and sadly for the Celts they were defeated in battle. The children were amazing throughout the battle, showing bravery, confidence and courage to chant and march with pride.

The experience also helped the children to deepen their understanding of their history unit all about the Romans. They will soon be moving onto to learning all about the Anglo Saxons and Vikings. Stay tuned to see if there are any more battles in the near future.

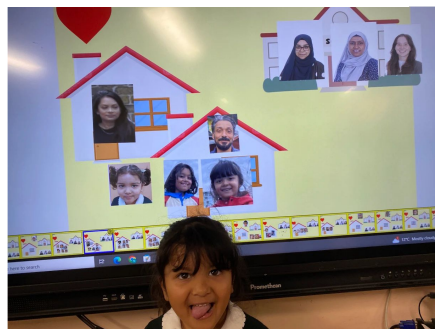

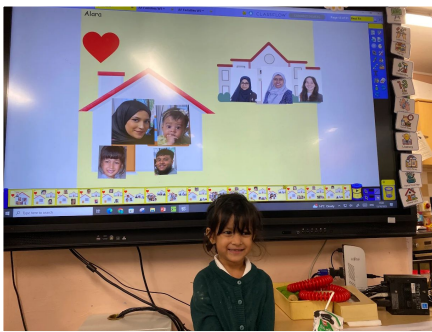

Year 1

This week we have started a new English unit in Year 1. We are learning instructions on how to make banana porridge! For our hook, we followed instructions using time starters and imperative verbs to make banana porridge.

This week in Nursery, we have been talking about our families. First, we learned that a family is filled with people who love you, take care of you and who you see often or live with them. Then, we had to sort out pictures of our family members and pictures of adults at school. We had to make sure we put them in the right place! Finally, we counted and named who was in our family.

Family

The children in the SLS were practicing their communication language skills this week. During bucket time they role played using the telephone with each other. This included using phonics, environmental sounds, mark making in the sands and body gestures.

HOW TO VIEW AND ORDER PORTRAITPHOTOS

Child's Name _____
 Year _____
 at Bygrove Primary School

Scan this QR or visit www.schoolphotographs.co.uk and click on "Order Photos" then enter the Photo ID and Key.
